Dear Supervisors:

**APPROVAL OF A CANCER RESEARCH AND CARE SERVICES AGREEMENT WITH THE
UNIVERSITY OF SOUTHERN CALIFORNIA (U.S.C.) KECK SCHOOL OF MEDICINE**
(First District) (3 Votes)

IT IS RECOMMENDED THAT FOLLOWING THE PUBLIC HEARING YOUR BOARD:

Approve and instruct the Director of Health Services, or his authorized designee, to sign a cancer research and care services agreement, substantially similar to Exhibit I, with the U.S.C. Keck School of Medicine to provide for the identification, selection, and participation of Los Angeles County + University of Southern California Medical Center (LAC+USC) patients in cancer research clinical trials, effective on the date of Board approval through April 30, 2006, with provisions for four one year automatic extensions through April 30, 2010, at a total approximate cost of \$1.76 million, 100% offset by funds in the Los Angeles County Donation Fund Trust Account [i.e., Sommer Cancer Research and Care Trust Fund], as bequested by the late Paul N. Sommer to LAC+USC, with provisions to extend the term of the agreement on a month-to-month basis until such time as: 1) any remaining funds and interest in the trust account are completely expended, or 2) until October 31, 2010, whichever of these two events sooner occurs.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

In approving the recommended actions, the Board is allowing the Department of Health Services (DHS or Department) to comply with a bequest from the estate of the late Paul N. Sommer to support actions which benefit cancer research, care, treatment, and related services, for cancer patients at LAC+USC. Mr. Sommer's bequest will be used to provide for the identification, selection, and participation of LAC+USC patients in cancer research clinical trials. Clinical trials often provide the best or only

standard of care for newly diagnosed metastatic diseases such as melanoma, hepatocellular carcinoma, pancreatic cancer, and gastric cancer. In addition, after first-line therapy, clinical trials may provide patients with the only treatment available for end stage prostate cancer, head and neck cancer, primary brain tumors, and sarcomas.

FISCAL IMPACT/FINANCING:

Total estimated cost for cancer research and care services provided under the agreement by the U.S.C. Keck School of Medicine, for the period effective on the date of Board approval through April 30, 2010, is approximately \$1.76 million, 100% offset by funds in the Los Angeles County Donation Fund Trust Account [i.e., Sommer Cancer Research and Care Trust Fund]. The agreement contains provisions to extend the term of the agreement on a month-to-month basis until such time as: 1) any remaining funds and interest in the trust account are completely expended, or 2) until October 31, 2010, whichever of these two events sooner occurs.

The agreement will provide in-kind services for use of County office space and related support services (e.g., utilities and housekeeping services, LAC+USC Ethernet access, phone services, etc.), as it is necessary for the U.S.C. Keck School of Medicine staff to be on site to identify LAC+USC patients who would be good candidates for participating in available cancer research clinical trials.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

On May 6, 1997, the Board approved acceptance to divide a monetary bequest from the estate of the late Paul N. Sommer between LAC+USC and U.S.C. Kenneth T. Norris, Jr. Comprehensive Cancer Center (USC Norris) at an estimated amount of \$1.0 million each, to be used for the sole benefit of cancer research, care, treatment, and related services for cancer patients at each respective facility. The final monetary bequest at the time of final probate was \$1.38 million each. LAC+USC's funds were deposited in a Los Angeles County Donation Fund Trust Account while the Department considered appropriate projects, based on the funding available, that would use such funding in the most beneficial manner. As of January 31, 2005, trust account funds available to County total approximately \$1.8 million. Based on the estate's provision of bequest funds to USC Norris, and the relationship of facility and staff of USC Norris, to that of the U.S.C. Keck School of Medicine, and LAC+USC, the Department determined that the cancer clinical trial project proposed by the U.S.C. Keck School of Medicine would be the most beneficial way to use the estate's bequest.

The agreement will also provide for the purchase of one portable ultrasound machine and related ultrasound machine training (related to patients participating in clinical trials), and 12 lap top computers, all to be exclusively used by Oncology Fellows to provide cancer research and care services as described under the agreement. All equipment purchased with trust account funds will be returned to the County at the end of the agreement term.

THIS AGREEMENT is made and entered into this _____ day
of _____ 2005,

by and between COUNTY OF LOS ANGELES (hereafter
"County"),

and U.S.C. KECK SCHOOL OF MEDICINE
(hereafter "Contractor").

WHEREAS, pursuant to Section 1441 and 1445 of the California Health and Safety Code, County has established and operates through its Department of Health Services (hereafter "DHS" or "Department") various hospitals/medical centers (which includes the Los Angeles County + University of Southern California [LAC+USC] Medical Center) and other health facilities; and

WHEREAS, the estate of the late Paul N. Sommer ("decedent"), who died on September 22, 1995, left a Last Will dated June 10, 1982, and First and Second Codicils thereto, dated April 10, 1987, and November 4, 1988, respectively ("decedent's Last Will"), which was admitted into probate; and

WHEREAS, such decedent's Last Will left a one-fourth share of the residue of his estate to LAC+USC Medical Center and the University of Southern California (U.S.C.) Kenneth T. Norris, Jr., Comprehensive Cancer Center, the funds of which are to be

used to benefit cancer research and care, treatment, and related services for cancer patients; and

WHEREAS, the LAC+USC Medical Center and U.S.C. Kenneth T. Norris Jr., Comprehensive Cancer Center have mutually agreed to divide such one-fourth share equally into an one-eighth share, which was estimated to be One Million Dollars (\$1,000,000) on May 6, 1997, the day on which the County of Los Angeles Board of Supervisors approved accepting its one-eighth share, which was later determined to be One Million Three Hundred Eighty-Eight Thousand Dollars (\$1,388,000) by the time of final probate; and

WHEREAS, LAC+USC Medical Center placed its share of the bequest into an interest bearing trust account (Los Angeles County Donation Fund Trust Account [i.e., Sommer Cancer Research and Care Trust Fund]) which as of January 31, 2005, now totals over One Million Seven Hundred Sixty-Three Thousand Five Hundred Dollars (\$1,763,500), while it determined which area of cancer research and care, treatment, and related services for cancer patients, the bequest would be used to support; and

WHEREAS, County has now determined that it will enter into an agreement (i.e., contract) with Contractor to provide cancer research and care services at LAC+USC Medical Center using the funds provided (i.e., One Million Seven Hundred Sixty-Three Thousand Five Hundred Dollars [\$1,763,500]), plus any continuing and accruing interest from said bequest's trust account; and

WHEREAS, Contractor agrees that services provided under this Agreement by Contractor at LAC+USC Medical Center, shall include but not be limited to, services provided to LAC+USC Medical Center's Hematology, Gynecologic Oncology and Medical Oncology Clinics, and its Women's and Children's Hospitals (all hereafter "LAC+USC Medical Center"); and

WHEREAS, the parties agree that all services provided by Contractor under this Agreement shall be to directly benefit and support cancer research and care services, and shall be in accordance with the directives described in decedent's Last Will, and that of this Agreement as described herein; and

WHEREAS, County's Board of Supervisors has delegated the authority and responsibility for these activities to County's Director of Health Services, or his authorized designee (hereafter jointly referred to as "Director"); and

WHEREAS, this Agreement is authorized by California Health and Safety Code 1441 and Government Code Section 26227; and

NOW, THEREFORE, the parties hereto agree as follows:

1. TERM: The term of this Agreement shall commence on the date of Board approval, and unless sooner canceled or terminated as provided herein, shall continue in full force and effect to midnight April 30, 2006. Said Agreement shall thereafter be automatically renewed for one (1) year terms, for a maximum of four (4) years, without further action by the parties

hereto, to and including midnight April 30, 2010. The parties further agree that Director shall have the option to extend this Agreement on a month-to-month basis until such time as: 1) any remaining funds and interest earned during the term of this Agreement in the trust account are completely expended, or 2) until midnight October 31, 2010, whichever of these two (2) events or dates sooner occurs, without further action by the parties hereto.

In any event, this Agreement may be canceled or terminated at any time by either party, with or without cause, upon the giving of at least thirty (30) calendar days' prior written notice to the other.

Notwithstanding any other provision of this Paragraph, the failure of Contractor or its officers, employees, agents, or subcontractors, to comply with any of the terms of this Agreement or any written directions by or on behalf of County issued pursuant hereto shall constitute a material breach hereto, and this Agreement may be terminated by County immediately. County's failure to exercise this right of termination shall not constitute a waiver of such right, which may be exercised at any subsequent time.

2. DESCRIPTION OF SERVICES:

A. Contractor shall provide services in the form as described in the body of this Agreement and Exhibit "A"

(Statement of Work), which is attached hereto and incorporated herein by reference.

B. Contractor acknowledges that the quality of services provided by Contractor under this Agreement shall be at least equivalent to that which Contractor provides to all other clients and/or patients it serves.

Billings shall clearly reflect the services supplied by County to Contractor.

F. Payment by Contractor to County hereunder shall be made within thirty (30) calendar days after the receipt of such a billing statement from County.

4. NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION/TERMINATION OF AGREEMENT: If payment(s) are made to Contractor under this Agreement, Contractor shall have no claim against County for the payment of any monies, or reimbursements of any kind whatsoever, for any service provided by Contractor after the expiration or (other) termination of this Agreement, even if Contractor's provision of such services were requested by County directly. Should Contractor receive any such payment, it shall immediately notify County and shall repay or return all such funds or reimbursements to County within a reasonable amount of time. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or (other) termination of this Agreement.

5. INDEMNIFICATION: Contractor shall indemnify, defend, and hold harmless County and its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with Contractor's acts and/or omissions arising from and/or relating to this Agreement.

6. GENERAL INSURANCE REQUIREMENTS: Without limiting Contractor's indemnification of County and during the term of

this Agreement, Contractor shall provide and maintain, and shall require all of its subcontractors to maintain, the following programs of insurance specified in this Agreement. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by County, and such coverage shall be provided and maintained at Contractor's own expense. In any event, Contractor may satisfy the insurance coverage requirements specified in this Agreement by providing evidence of Contractor's self-insurance program, as described hereinbelow. Such evidence shall be provided in a formal declaration (on Contractor's letterhead, if available) that declares Contractor is self-insured for the type and amount of coverage as described in Paragraph 7, Insurance Coverage Requirements, hereinbelow. Contractor's declaration may be in the form of a corporate resolution or a certified statement from a corporate officer or an authorized principal of Contractor. The statement also must identify which required coverages are self-insured and which are commercially insured. Contractors who are self-insured for workers compensation must provide a copy of their "Certificate of Consent to Self-Insure" issued by the State in which services will be provided. Further, Contractor's self-insurance program must be reviewed and approved by County's Risk Manager prior to the effective date of this Agreement.

A. Evidence of Insurance: Certificate(s) or other evidence of coverage satisfactory to County shall be delivered to Director at the: DHS; Contracts and Grants Division; 313 North Figueroa Street, 6th Floor-East; Los Angeles, California 90012-2659, and to DHS; LAC+USC Healthcare Network; Expenditure Management; 2064 Marengo Avenue; Los Angeles, California 90033, prior to commencing services under this Agreement. Such certificates or other evidence shall:

- (1) Specifically identify this Agreement.

- (3) Contain the express condition that County is to be given written notice by mail at least thirty (30) calendar days in advance of cancellation for all policies evidenced on the certificate of insurance.
- (4) Include copies of the additional insured endorsement to the commercial general liability policy, adding County of Los Angeles, its Special Districts, its officials, officers, and employees as insured for all activities arising from this Agreement.
- (5) Identify any deductibles or self-insured retentions for County's approval. County retains the right to require Contractor to reduce or eliminate such

deductibles or self-insured retentions as they apply to County, or, require Contractor to provide a bond guaranteeing payment of all such retained losses and related costs, including, but not limited to, expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

B. Insurer Financial Ratings: Insurance is to be provided by an insurance company acceptable to County with an A.M. Best rating of not less than A:VII, unless otherwise approved by County.

C. Failure to Maintain Coverage: Failure by Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

D. Notification of Incidents, Claims, or Suits:

Contractor shall report to County:

(1) Any accident or incident relating to services performed under this Agreement which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within twenty-four (24) hours of occurrence.

(2) Any third party claim or lawsuit filed against Contractor arising from or related to services performed by Contractor under this Agreement.

(3) Any injury to a Contractor employee which occurs on County property. This report shall be submitted on a County "Non-Employee Injury Report" to County contract manager.

(4) Any loss, disappearance, destruction, misuse, or theft of any kind whatsoever of County property, monies, or securities entrusted to Contractor under the terms of this Agreement.

E. Compensation for County Costs: In the event that Contractor fails to comply with any of the indemnification or insurance requirements of this Agreement, and such failure to comply results in any costs to County, Contractor

shall pay full compensation for all costs incurred by County.

F. Insurance Coverage Requirements for Subcontractors: Contractor shall ensure any and all subcontractors performing services under this Agreement meet the insurance requirements of this Agreement by either:

(1) Contractor providing evidence of insurance covering the activities of subcontractors, or

(2) Contractor providing evidence submitted by subcontractors evidencing that subcontractors maintain the required insurance coverage. County retains the right to obtain copies of evidence of subcontractor insurance coverage at any time.

7. INSURANCE COVERAGE REQUIREMENTS:

C. Workers Compensation and Employers' Liability insurance providing workers compensation benefits, as required by the Labor Code of the State of California or by any other state, and for which Contractor is responsible.

In all cases, the above insurance also shall include Employers' Liability coverage with limits of not less than the following:

8. DELEGATION AND ASSIGNMENT: Contractor shall not assign its rights or delegate its duties under this Agreement, or both, either in whole or in part, without the prior written consent of County, and any assignment or delegation which does not have such

prior County consent shall be null and void. For purposes of this Paragraph, such County consent shall require a written amendment to this Agreement which is formally approved and executed by the parties. Any billings to County by any assignee or delegatee on any claim under this Agreement, in consequence of any such County consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to set-off, recoupment or other reduction for any claim which Contractor may have against County, whether under this Agreement or otherwise.

9. SUBCONTRACTING:

A. For purposes of this Agreement, all subcontracts must first be approved in writing by Director. Contractor's written request to Director for approval to enter into a subcontract shall be made at least thirty (30) calendar days prior to the subcontractor's proposed effective date, and shall include:

(2) A detailed description of the services to be provided by the subcontract.

(4) A copy of the proposed subcontract. (Any later modification of such subcontract shall take the form of a formally written subcontract amendment which also must be approved in writing by Director in the same manner as described above, before such amendment is effective.)

(5) Any other information and/or certification(s) requested by Director.

B. Director shall review Contractor's request to subcontract and shall determine, in his/her sole discretion, whether or not to consent to such a request on a case-by-case basis.

C. Subcontracts shall be made in the name of Contractor and shall not bind nor purport to bind County. The making of subcontracts hereunder shall not relieve Contractor of any requirement under this Agreement, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors. Further, Director's approval of any subcontract shall also not be construed to limit in any way, any of County's rights or remedies contained in this Agreement.

D. In the event that Director consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments or other compensation to all subcontractors, and their officers, employees, and agents.

E. In the event that Director consents to any subcontracting, such consent shall be subject to County's right to terminate, in whole or in part, any subcontract at any time upon written notice to Contractor when such action is deemed by County to be in its best interest. County shall not be liable or responsible in any way to Contractor, or any subcontractor, or to any officers, employees, or agents, of Contractor, or any subcontractor, for any liability, damages, costs, or expenses, arising from or related to County's exercising of such a right.

F. Subcontracts shall contain the following provision: "This contract is a subcontract under the terms of a prime contract with the County of Los Angeles and shall be subject to all of the provisions of such prime contract." Further, Contractor shall also reflect as subcontractor requirements in the subcontract form all of the requirements of Paragraphs 5, 6, 7, 10, 13, and 14, of the body of this Agreement, as well as, all of the provisions of the Additional Provisions attachment.

Contractor shall deliver to Director a fully executed copy of each subcontract entered into by Contractor, as it pertains to the provision of services under this Agreement, on or immediately after the effective date of the subcontract, but in no event, later than the date any services are to be performed under the subcontract.

G. Director is hereby authorized to act for and on the behalf of County pursuant to this Paragraph, including but not limited to, consenting to any subcontracting.

10. COMPLIANCE WITH APPLICABLE LAW:

A. Contractor shall comply with the requirements of all federal, State, and local laws, ordinances, regulations, rules, guidelines, and directives, applicable to its performance hereunder. To the extent there is any conflict between federal and State or local laws, the former shall prevail.

Any reference to a specific statute, regulation, or any other document not prepared by County is deemed to include a reference to any amendment thereto as of the effective date of such amendment; further, this Agreement shall be interpreted and the parties' duties and obligations under this Agreement shall be consistent with any amendment to any applicable statute, regulation or other document not

prepared by County which occurs after the effective date of the Agreement.

B. Contractor shall indemnify and hold harmless County from and against any and all loss, damage, liability, or expense resulting from any violation on the part of Contractor, its officers, employees, or agents, of such federal, State, or local laws, regulations, guidelines, or directives.

Such Board Minutes, or legal documentation, shall especially confirm that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation set forth in this Agreement.

(5) A detailed statement indicating whether Contractor totally or partially owns any other business organization that will be providing services supplies, materials, or equipment to Contractor or in any manner does business with Contractor under this Agreement.

3. NONDISCRIMINATION IN SERVICES: Contractor shall not discriminate in the provision of services hereunder because of race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political

affiliation, or condition of physical or mental handicap, or in any manner on the basis of a client's sexual orientation in accordance with requirements of federal and State laws. For the purpose of this Paragraph, discrimination in the provision of services may include, but is not limited to, the following: denying any person any service or benefit or the availability of a facility; providing any service or benefit to any person which is not equivalent, or is provided in a non-equivalent manner or at a non-equivalent time, from that provided to others; subjecting any person to segregation or separate treatment in any manner related to the receipt of any service; restricting any person in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service or benefit; and treating any person differently from others in determining admission, enrollment quota, eligibility, membership, or any other requirements or conditions which persons must meet in order to be provided any service or benefit. Contractor shall take affirmative action to ensure that intended beneficiaries of this Agreement are provided services without regard to race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political affiliation, condition of physical or mental handicap, or sexual orientation.

In addition, Contractor's facility access for the handicapped must fully comply with section 504 of the federal

Rehabilitation Act of 1973 and Title III of the federal Americans with Disabilities Act of 1990.

4. NONDISCRIMINATION IN EMPLOYMENT:

A. Contractor certifies and agrees, pursuant to the federal Rehabilitation Act of 1973, the federal Americans with Disabilities Act of 1990, and all other federal and State laws, as they now exist or may hereafter be amended, that it, its affiliates, subsidiaries, or holding companies, will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, ethnic group identification, ancestry, sex, age, marital status, political affiliation, condition of physical or mental handicap, or sexual orientation.

Contractor shall provide such other information and records as such representatives may require in order to verify compliance with the anti-discrimination provisions of this Paragraph.

F. If County finds that any of the provisions of this Paragraph have been violated, the same shall constitute a material breach of Agreement upon which County may determine to cancel, terminate, or suspend, this Agreement. While County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the federal Equal Employment Opportunity Commission that Contractor has violated federal or State anti-discrimination laws shall constitute a finding by County that Contractor

has violated the anti-discrimination provision of this Agreement.

G. The parties agree that in the event Contractor violates any of the anti-discrimination provisions of this Agreement, County shall be entitled, at its option, to the sum of Five Hundred Dollars (\$500) pursuant to California Civil Code section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Agreement.

CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director in writing, within thirty (30) calendar days, of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a federally funded health care program; and (2) any exclusionary action taken by any agency of the federal government against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care

program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal exclusion of Contractor or its staff members from such participation in a federally funded health care program.

It shall be the responsibility of Contractor to obtain a copy of the rules and regulations from Director's administrator at each County facility and to acquaint any personnel providing services hereunder, with such rules and regulations prior to the execution of this

Agreement, as well as, acquainting such personnel with any changes to such rules and regulations during the term of this Agreement. Upon receipt of oral or written notice from Director, Contractor shall take corrective action with respect to any of its personnel, who do not comply with such rules and regulations, and shall immediately and permanently withdraw any such personnel (i.e., person) from the provision of services hereunder in the event that Director determines that (1) any such person has violated such rules or regulations, or (2) any such person's actions, while on County premises, indicates that such person may adversely affect the delivery of health care services to County patients.

10. UNLAWFUL SOLICITATION: Contractor shall inform all of its officers and employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with section 6150) of Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of said provisions by its officers and employees. Contractor agrees to utilize the attorney referral service of all those bar associations within Los Angeles County that have such a service.

Further, all financial records of Contractor pertaining to this Agreement, including accurate books and records of accounts of its costs and operating expenses, and all records of services (including personnel provided), as well as other financial records pertaining to this Agreement, shall be retained by Contractor for a minimum period of five (5) years following the expiration or prior termination of this Agreement. During such five (5) year period, as well as during the term of this Agreement, all records pertaining to this Agreement, or true and correct copies thereof, including but not limited to, those records described above, shall either: (1)

be retained by Contractor, accessible for review by County representatives at a location in Los Angeles County, or (2) if retained by Contractor at a location outside of Los Angeles County, moved from such a location, to a location within Los Angeles County for review, upon Director's request, and made available during County's normal business hours, within ten (10) calendar days, to representatives of County, or federal and State governments, for purposes of inspection and audit. In the event such records are located outside Los Angeles County and Contractor is unable to move such records to Los Angeles County, then Contractor shall permit such inspection or audit to take place at an agreed to outside location, and Contractor shall pay County for travel, per diem, and other costs related to such inspection and audit.

Contractor shall further agree to provide such records, when possible, immediately to County by facsimile/FAX, or through the internet (i.e., electronic mail ["e-mail"]), upon Director's request. In any event, Contractor shall agree to make available the original documents of such FAX and e-mail

Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization (as that term is defined under federal law), Contractor agrees that each such subcontract shall provide for such access to the sub-contract, books, documents and records of the subcontractor.

D. County To Be Provided Audit Report(s): In the event that an audit is conducted of Contractor specifically

regarding this Agreement by any federal or State auditor, or any auditor or accountant employed by Contractor or otherwise, Contractor shall file a copy of each such audit report with Director and County's Auditor-Controller within thirty (30) calendar days of Contractor's receipt thereof, unless otherwise provided under this Agreement, or under applicable federal or State regulations. To the extent permitted by law, County shall maintain the confidentiality of such audit report(s). Failure of Contractor to comply with these terms shall constitute a material breach of this Agreement upon which County may cancel, terminate, or suspend this Agreement.

E. Audit/Compliance Review: In the event County representatives conduct an audit/compliance review of Contractor, Contractor shall fully cooperate with County's representatives. Contractor shall allow County representatives access to all records of services rendered and all financial records and reports pertaining to this Agreement and shall allow photocopies to be made of these documents utilizing Contractor's photocopier, for which County shall reimburse Contractor its customary charge for record copying services, if requested. Director shall provide Contractor with at least ten (10) working days prior written notice of

any audit/compliance review, unless otherwise waived by Contractor.

County may conduct a statistical sample audit/compliance review of all claims paid by County during a specified period. The sample shall be determined in accordance with generally accepted auditing standards. An exit conference shall be held following the performance of such audit/compliance review at which time the results shall be discussed with Contractor. Contractor shall be provided with a copy of any written evaluation reports.

Contractor shall have the opportunity to review County's findings on Contractor, and Contractor shall have thirty (30) calendar days after receipt of County's audit/compliance review results to provide documentation to County representatives to resolve the audit exceptions. If, at the end of the thirty (30) calendar day period, there remains audit exceptions which have not been resolved to the satisfaction of County's representatives, then the exception rate found in the audit, or sample, shall be applied to the total County payment made to Contractor for all claims paid during the audit/compliance review period to determine Contractor's liability to County.

F. County Audit Settlements: If, at any time during the term of this Agreement or at any time within five (5)

years after the expiration or earlier termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the services provided to County hereunder and if such audit finds that County's dollar liability for such services is less than payments made by County to Contractor, then Contractor agrees that the difference shall be either: (1) repaid forthwith by Contractor to County by cash payment, or (2) at Director's option, deducted from any further amount due Contractor from County. If such audit finds that County's dollar liability for services provided hereunder is more than payments made by County to Contractor, then the difference shall be paid forthwith to Contractor by County by cash payment.

12. REPORTS: Contractor shall make reports as required by County, or DHS, concerning Contractor's activities and operations as they relate to this Agreement and the provision of services hereunder. 14. CONTRACTOR'S OBLIGATIONS AS A BUSINESS ASSOCIATE UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 ("HIPAA"): Under this Agreement, Contractor (also known herein as "Business Associate") provides services ("Services") to County (also known herein as "Covered Entity") in which Business Associate receives, has access to, or creates, Protected Health Information and/or Electronic Protected Health Information in order to provide those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated thereunder, including the Standards

for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("Security Regulations") at 45 Code of Federal Regulations Parts 160 and 164 (together, the "Privacy and Security Regulations").

Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Privacy and Security Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such an contract is not in place.

Therefore, the parties agree to the following:

A. DEFINITIONS:

(1) "Disclose" and "Disclosure" means, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner Protected Health Information which is outside of Business Associate's internal operations or to other than its employees.

(2) "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103.

Further, Electronic Media means: (a) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory

medium, such as magnetic tape or disk, optical disk, or digital memory card; or (b) Transmission media used to exchange information already in electronic storage media. Transmission media includes, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile ("FAX"), and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "electronic media" draws no distinction between internal and external data, at rest (that is, in storage), as well as, during transmission.

(3) "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Further, Electronic Protected Health Information means protected health information that is: (a) transmitted by electronic media, and (b) maintained in electronic media.

(4) "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g) .

(5) "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 164.501, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (a) relates to the past, present, or future, physical or mental health, or condition of an Individual; the provision of health care to an Individual, or the past, present, or future, payment for the provision of health care to an Individual; (b) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (c) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

(6) "Required By Law" means a mandate contained in

law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court ordered warrants; subpoenas or summons issued by a court, a grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

(7) "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

(8) "Services" has the same meaning as used in the body of this Agreement.

(9) "Use" or "Uses" means, with respect to Protected Health Information, the analysis, application, employment, examination, sharing, or utilization of such information within Business Associate's internal operations.

(10) Terms used, but not otherwise defined, in this Paragraph shall have the same meaning as those terms in the HIPAA Regulations.

b. Effective as of April 20, 2005,
specifically as to Electronic Health Information,

Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5)

business days after receipt of request from Covered Entity.

Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such amendment within ten (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

(8) Accounting of Disclosures: Upon Covered Entity's request, Business Associate shall provide to Covered Entity an accounting of each Disclosure of Protected Health Information made by Business Associate or its officers, employees, agents, representatives, or subcontractors. However, Business Associate is not required to provide an accounting of Disclosures that are necessary to perform the Services because such Disclosures are for either payment or health care operations purposes, or both.

Any accounting provided by Business Associate under this Subparagraph B.(8) shall include: (a) the date of

the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Subparagraph B.(8), Business Associate shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Subparagraph B.(8) to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

C. OBLIGATION OF COVERED ENTITY: Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

(2) Termination for Cause: In addition to and notwithstanding the termination provisions set forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

a. Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;

This provision shall apply to Protected Health Information that is in the possession of agents, representatives, or subcontractors, of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

b. In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make it infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement, to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the

return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

E. MISCELLANEOUS:

(1) No Third Party Beneficiaries: Nothing in this Paragraph shall confer upon any person other than the parties and their respective successors or assignees, any rights, remedies, obligations, or liabilities whatsoever.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "contractor" as defined under the Jury Services Program (Section 2.203.020 of the County Code) or that

Contractor qualifies for an exception to the Jury Services Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its employees shall receive from Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service served. Contractor's policy may further provide that employees deposit any fees received for such jury service with Contractor or that Contractor deduct from the employee's regular pay the fees received for jury service.

(2) For purpose of this Paragraph, and as set forth in the Jury Service Program provision of the County Code as described hereinabove: "Contractor" shall mean a person, partnership, corporation, or other entity, that has a contract with County, or a subcontract with a County contractor, and has received, or will receive, an aggregate sum of Fifty Thousand Dollars (\$50,000) or more in any twelve (12) month period under one (1) or more County contracts or subcontracts; "employee" shall mean any California resident who is a full-time employee of Contractor; and "full-time" shall mean forty (40) hours or more worked per week, or a lesser number of hours, if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a

long-standing practice that defines the lesser number of hours as full-time.

Full-time employees providing short-term temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for County under this Agreement, the subcontractor shall also be subject to the provisions of this Paragraph. The provisions of this Paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

(3) If Contractor is not required to comply with the Jury Service Program on the effective date of this Agreement, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Services Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "contractor", or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during

the Agreement term, and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

(4) Contractor's violation of this Paragraph of the Agreement may constitute a material breach of this Agreement. In the event of such breach, County may, in its sole discretion, terminate this Agreement and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

16. LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES: Contractor shall obtain and maintain in effect during the term of this Agreement, all appropriate licenses, permits, registrations, accreditations, and certificates required by all applicable federal, State, and local laws, regulations, guidelines and directives, for the operation of its business operation and for the provisions of services hereunder. 17. INDEPENDENT CONTRACTOR STATUS:

A. This Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of employee, agent, servant, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, employees or agents of the other party for any purpose whatsoever.

B. Contractor shall be solely liable and responsible for providing to, or on behalf of, its officers and employees all legally required employee benefits. B. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM :

Failure of Contractor to maintain compliance with the requirements set forth in the Contractor's Warranty of Adherence to County's Child Support Compliance Program Paragraph immediately above, shall constitute a default by Contractor under this Agreement. Without limiting the

rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within ninety (90) calendar days of written notice by County shall be grounds upon which County may terminate this Agreement pursuant to the Termination for Default Paragraph of this Additional Provisions attachment to the Agreement and pursue debarment of Contractor pursuant to County Code Chapter 2.202.

C. CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY'S COMMITMENT TO CHILD SUPPORT ENFORCEMENT: Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders.
